Experience

Fx Bridge Technologies

January 2019 - January 2020

Data Intern

- Tracked customer data and analyzed data based on requirements from business leaders
- Lead project extracting data from over 20,000 customer accounts and predicted which customers were likely to leave; this model increases retention by 7%

Teaching Assistant

August 2017 - May 2018

ISYE Department

- Taught two 3000 level lectures a week in database management class for two semesters; class sizes were upwards of 150 students

Varsity Tutors

May 2015 - April 2017

Mathematics Tutor

- Helped students from middle school to college level with mathematics and physics classes; subjects ranged from basic arithmetic to advanced calculus and differential equations

Education

Georgia Institute of Technology

December 2019

Industrial and Systems Engineering Major

GPA: 3.9 (highest honors)

- Zell Miller Scholarship
- Student Government Academic Representative for ISYE Department

Volunteering

SpringForward Foundation

May 2015 - April 2017

College Counselor

- Provided students from underserved communities in Atlanta with college counseling services
- Aided in filling out applications, FAFSA, and editing essays which directly allowed six at risk students to attend college
